

# SEASONAL CLASSES

## 6 weeks program

- Color, Craft, Canvas, Collage, and Clay

This mixed media based class will allow children to explore and learn about different art materials and techniques. It is designed to give them an appreciation and understanding of art in a creative way.

(Ages 6 and up)

- My mini art school

Students will use their ideas into works of art such as color theory; object drawing, 3D art and more that will be their very own masterpieces!

(Ages 7 and up)

- Canvas painting

Learning new painting techniques is a lot of fun. Take home a one-of-a-kind master piece! Our professional guidance, informative classes are designed just for you! So roll up your sleeves and paint with us!

(Ages 7 and up)

- Hand building clay -

Pottery hand building is a great art. Students will work on fine motor coordination while learning the basics of hand building with clay. Pinching, coiling and slab, texture, and glazing are used to make functional projects.

(Ages 8 and up)

**For other weekly classes please check our class schedule.**
